

Grand Valley Society of Architects

2006 Lunch and Learn
on Sound Transfer

PRESENTS

SOUNDIVIDE Inc.
HIGH PERFORMANCE
WALLS

QUIETROCK QR-560

we will be attending:

QuietRock Products presentation by:
Ray Bakker of SounDivide Inc. distributor
of Canada's only soundproofing gypsum
board for walls and floors.

Visit: www.SounDivide.com Mfg: www.QuietSolution.com

The Focus

To educate on new options available to address minimum 50 STC codes and the significant sound issues that face owners as well as occupants. How to increase the overall sound mitigation, occupant's privacy and reduce potential litigation. Discover the overall merits of more soundproof buildings for your clients.
